workShop Make a Bird Feeder!

January 24, 2009

Clifty Falls Nature Center

A special opportunity to make a simple 'quart jar' bird feeder. We'll fill it with seed... you'll be ready to make new acquaintance with the cheerful birds outside your home!

Saturday, 10:30am Introduction to winter song birds at the Clifty Falls Nature Center's legendary feeding windows.

Includes identification tips and what it takes to make your yard "attractive" and "safe" to the birds you're wanting to feed.

11am Assemble your feeder! Bring a small hammer.

- This program is a terrific project to share with children!
- Pre-registration required... call the Center at 812-273-0609. \$2/person age 5 and up; \$8/kit, payable by check or currency at program. Ten bird feeder kits available, limit of one per family. Children 15 & under must be accompanied by an adult.
